About Me

Hello, I'm Handmade Hannah.
I'm a 28-year-old artist, bestselling author &
songwriter from Perth.

I'm delighted to share my current portfolio with
you — in it you will find unique hand-cut
designs and eye-catching photography of our
local environment.

Paper Cut Art

Each piece has been designed and cut by me, right here in Perth.

The wonderful AUSTRALIA pieces are a **world first** and entirely unique — no one has created Australia-specific cuts before.

I can work on several projects at a time, so for a multiple order please ask for your specific delivery time as it may be quicker than those indicated.

The frames that I have found best suited to my cuts are made of glass and MDF, with the exception of the Australia one, which is wood. Custom-made wood frames may be an option for all the pieces. Please let me know if this is required as it will alter the price and delivery time.

The Wonders Of Australia Paper Cut

I am so proud of this piece. It is hand cut from one sheet of A3 paper. I designed it myself when I saw a whole in the paper cut market — absolutely nothing Australian themed was available. I'm very happy to provide this world first, which includes koala, kangaroos, cockatoos, kookaburras, a snake, a spider, dragonflies, a lizard, wombats, and a platypus in a billabong... as well depicting two native trees — the silver princess and classic gum (note the detailed gum nuts and flowers).

This piece is sandwiched between two sheets of glass and can be hung as such. Alternatively it is available with any colour background, included in the price.

Size of frame: 21in x 17in

Approx size of paper cut: A3

Materials: Paper, Card stock, Glass, MDF frame

Artist price: \$450 (inc frame and delivery)

Production & Delivery Time: Please allow four days per item.

I am also in the process of developing unique book and song quote cutouts — again a world first.

I have a large range of novels (such as Wuthering Heights, Harry Potter, Pride and Prejudice and The Hobbit) already available, as seen above.

The actual size is approx 5.5in x 7in and comes in the same 7.5in x 9.5in frame as the Australia cutout. Each quote (inc frame and delivery) will be \$85.

However if you'd prefer something more Australian (like the national anthem or a classic Aussie song) please let me know and I'd be happy to email you a mockup design within 48 hours without obligation to order.

Also, I have cut the following designs. I am not the designer of them, but have a commercial license to sell them and will hand cut each myself on any paper colour. If any of the designs would fit your current catalogue, please contact me for pricing.

Photography

Please zoom in to see the photos more clearly.

The **entire** collection was taken in Perth and mostly boasts a beautiful collection of macro flora images from Spring 2016. All but four in the collection were taken this year.

Each of them will be pencil signed on the back and if requested I can put them each in an A4 clear plastic packet for protection.

These are photographic prints of high quality. For alternate size requests or canvas/acrylic options please let me know.

Delivery time: Please allow 2 days for any of the prints.
The canvas takes around 3 weeks.
